

Terms of Service

Please read these terms of service carefully before using Retrieveit.org website operated by Retriever.

Conditions of Use

We will provide their services to you, which are subject to the conditions stated below in this document. Every time you visit this website, use its services or make a purchase, you accept the following conditions. This is why we urge you to read them carefully.

Privacy Policy

When you post an item Retrieval request, all information about the lost item becomes publicly available data.

In no way does Retriever guarantee that you will find your lost item. Items posted on Retriever are presumed to be lost, Retriever is not responsible for their safekeeping or return.

Retriever recommends that you first search for your item using traditional means (using physical lost & found locations, contacting the area where you lost the item...) before using our service, which costs money.

If your item has been found using the Retriever service and you have accepted to send over your reward money, you may not reclaim that money.

Once you have obtained the contact information of the person who has found your item, met with them, and retrieved your item, you must notify Retriever that you have indeed received your item. You may not notify Retriever that you have not received your item and claim your money back, if you have indeed received it. If such is the case, Retriever reserves the right to refuse to return the reward money.

When looking for lost items, Retriever asks that you be 100% certain that the item you find is indeed lost. Retriever firmly stands against theft. If the item you find has not been posted on Retriever's website, we ask that you turn it in to the rightful owner of the item, or a physical lost and found location.
